

Concorde C.C. - Annual General Meeting 2013

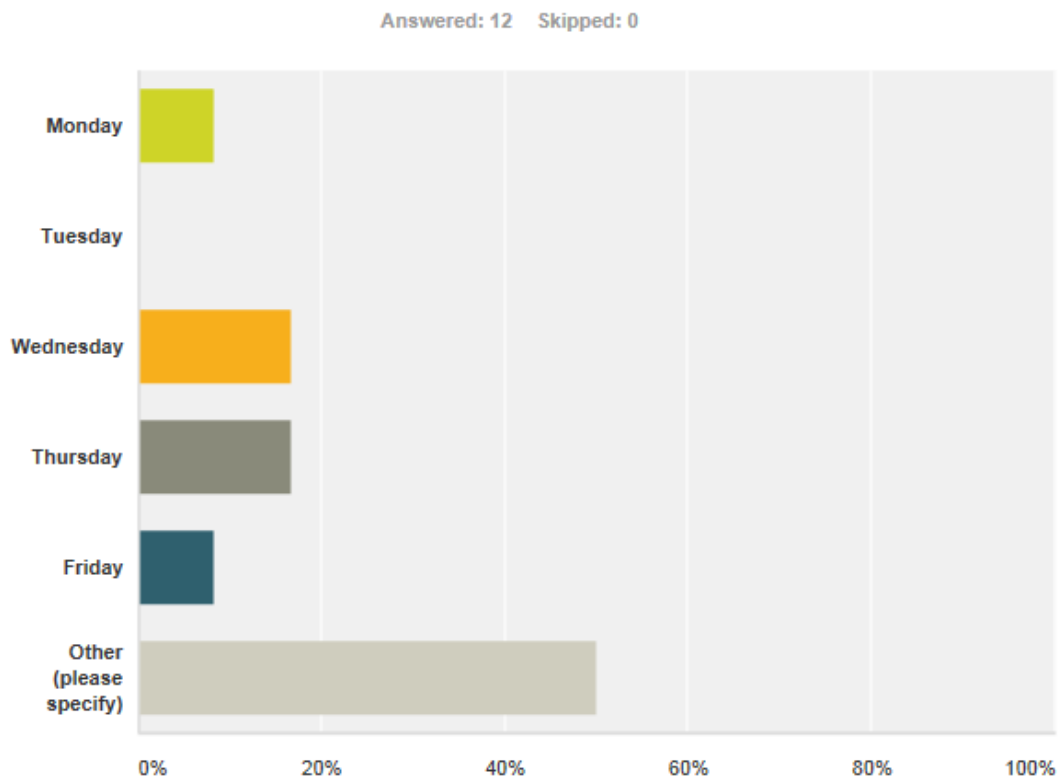

Hon Secretary's Report

The Hon Secretary is pleased to announce the HMRC has agreed to award CCC charity status under the CASC rules with effect from 29 July 2013.

It should be noted that M.R. Anning is currently the charity's authorised official and that J.C. Stockbridge is authorised to make repayment claims on behalf of the charity using reference: CH09641Y. HMRC will accept repayment claims from either authorised official.

Support this year for the Thursday night net sessions was particularly poor, even though the weather this year was superb. The Hon Sec spent a number of lonely evenings financially & physically supporting the bar during the summer.

As a result, a survey was commissioned with the following results.

50% of respondents (6) completed the "Other" section. Of those respondents the following information can be gathered.

- 1 stated any day would be fine
- 2 stated they could not attend
- 1 preferred Tuesday or Wednesday
- 1 stated Thursday
- 1 was spoiled

From this it can be assumed that either Wednesday or Thursday would attract equal numbers, so I leave it to the AGM to decide for the 2014 season.
